I write to declare for the purpose of my statement of Member's Interest, a gift from a company based in my electorate.

On Friday 11 September, Mark Watson, General Manager of Total Window Concepts invited me to participate in an awards ceremony for staff who had undertaken courses and received TAFE certificates. I was presented with a bottle of Penfolds Grange 1996 and although I am unclear of its value presume it exceeds the non-declarable amount for gifts from an official source.

I have been in contact with a representative from Western Chances, a charity in Melbourne's West that supports scholarships for young people, to offer as a donation for raffling the bottle of Grange. This has been accepted.

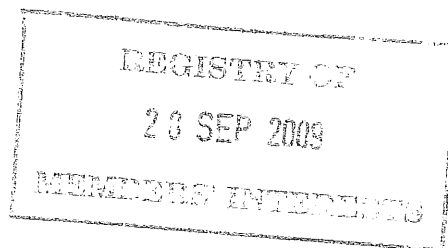

Please update the register accordingly.

Dear ~~Mr~~ Wright

Further to my enclosed letter of declaration updating my Statement of Members' Interest, I wish to make the following correction in that the gift from Ousted Publishing was not from an official source but a private company and therefore over the declarable amount.

In November 2009 I received a set of Scholastic Excellence Medallions valued at \$654. It was not my wish to retain the medallions and in following procedure should have surrendered them to the Department of Prime Minister and Cabinet and requested for them to be gifted to a school in my electorate, Galvin Secondary College. Since my initial letter I have liaised with the school and arranged and paid for the medallions to be engraved with the recipients' names. The presentations occurred on the 14<sup>th</sup> December.

I understand Michelle Fitzgerald in my office has liaised with the Department of Prime Minister and Cabinet and been advised a letter explaining the matter was sufficient and no further action is required.

Could you please correct the register accordingly.

Yours sincerely
